

HOW TO SAFELY GREET DOGS

COLORING BOOK FOR KIDS

www.petzpack.com

Hello there little human peoples! My name is Lily and I'm the most beautiful Shih Tzu you have ever seen. This is my "little" sister Kya and she's an Irish Wolfhound. We would like to teach you how to safely greet us in public. Now give me all your biscuits.

Petz Pack would...

LIKE TO THANK

Greetings!

My name is Melissa Cox and I am the founder of Petz Pack, Your Dog's Home Away From Home. My father, R.F. Dickey was a three time world champion dog handler and trainer and I was raised in a multi-dog environment in South Alabama. It is of the utmost importance that our children know how to safely greet and interact with dogs and I hope you and your children both enjoy this coloring book. My husband, Michael Cox and I worked together to bring you a fun and educational way to ensure your child's safety when interacting with strange dogs in public. I hope this will serve as a conversational piece with your child as you adopt these techniques.

Please check us out on our website to learn more about Petz Pack, our supported locations and mission statement. If you are in the area, we hope to have you as clients and show you what we have to offer you and your furry family member!

Happy Learning!
